

Hydrologidagarna 2017

16-17 mars i Göteborg

Call for abstracts and pre-registration

The Hydrology Days 2017 will take place at the Earth Sciences Centre, Gothenburg University on March 16 & 17. We suggest "Urban Hydrology" as the main topic but other water related contributions are also welcome. The Hydrology Days are arranged annually by the Swedish Hydrological Council SHR, this year supported by the Department of Earth Sciences, University of Gothenburg, IAH (International Association of Hydrogeologists) Sweden and SGF (Swedish geotechnical society).

The Hydrology Days are a meeting place for Ph.D. students, early-career scientists, senior researchers, end users and agencies. The meeting provides the opportunity for Ph.D. students and Postdocs to present their research who are especially encouraged to contribute to the meeting's scientific agenda.

Please note that **we can support 10 Ph.D. students** (and young postdocs) **with up to 1000 kr for travel and accommodation**. To obtain this support, Ph.D. students have to:

- Pre-register for the conference (see below). Support will be provided for the first 10 Ph.D. students to submit the pre-registration.
- Participate in the conference and present a paper (poster or oral).

Conference Language:

We welcome contributions and discussions in both Swedish and English.

Conference Venue:

Geovetarecentrum, Göteborgs Universitet, Guldhedsgatan 5a, Göteborg, Stora Hörsalen

Costs:

Participation including coffee and lunches: Regular 700 kr, (Ph.D.)-Students and pensioners 350 kr

Dinner / mingle, Thursday: 150 kr

Pre-registration:

Please follow the link <https://sUNET.artologik.net/gu/Survey/1473> to let us know if you are interested in participating and whether or not you are planning to submit an abstract.

Ph.D. students who would like to receive support should pre-register asap – first come, first served applies.

Call for abstracts:

Please send your abstract (500 words maximum) to roland.barthel@gvc.gu.se before Friday 23/02. Please indicate whether you prefer an oral presentation or a poster.

Tentative Program

Thursday, 16/03

9:00 – 10:00: Registration and coffee

10:00 -10:30: Keynote lecture – Future hydrological challenges in Gothenburg

10:00-12:00: Oral presentations

12:00-13:30: Lunch at Lyktan (Wallenberg Centrum – 5 minutes walk)

13:30-15:00: Oral presentations

15:00-16:00: Poster session and coffee

16:00-17:00: Oral presentations

17:00-17:30: General discussion and closing remarks

17:45- 18:45 - SHR annual meeting

19:00: Buffet dinner, and mingle (GVC – Nedre Ljugården)

Friday, 17/03

8:30 -9:00: Keynote lecture – invited speaker

9:30- 10:30: Poster session and coffee

10:30-12:00: Oral presentations

12:00-13:00: Lunch (GVC – Nedre Ljugården)

13:00-14:00: IAH-Sweden meeting

If you have any questions regarding Hydrology Days, please contact: roland.barthel@gu.se

Best regards

Swedish Hydrological Council (SHR)

International Association of Hydrogeologists Swedish Chapter (IAH)

Department of Earth Sciences, Gothenburg University

Svenska Geotekniska Föreningen (SGF)
